

Acknowledgements

Many people have contributed to the Park Development Framework.

Members and Staff

All Members and staff of the Authority have assisted in developing ideas and identifying priorities for the future of the Park.

Special thanks go to the members of the Park Development Framework Panel, who committed considerable time and effort to guiding the process and refining aspirations and proposals for the future.

- Eileen Kinnear (Chair)
- George Allen
- Derrick Ashley (Chairman of the Authority)
- Christine Boyd
- Sidney Kallar
- Joyce Ryan
- Nigel Agar

Stakeholders and partners

Engaging with stakeholders and partners has been fundamental to the preparation of the Framework. Throughout the process over 500 individuals and organisations were invited to offer their views on the future development of the Park. More than 100 participants took up the offer to attend workshops, or to provide written comments on new proposals.

A full list of participants and the organisations they represented is provided below.
