RECOMMENDATIONS

Members Approve: (1) membership of Committees, Panel and Groups for 2018/19 as agreed at the meeting; and

Members Note: (4) any appointments unfilled at this meeting will be agreed through Group Leaders and reported to the next Authority meeting or Executive Committee.

BACKGROUND

1 The Authority is created by its own Act of Parliament, the Lee Valley Regional Park Act 1966 (the 1966 Act) and is able to appoint committees by virtue of the Schedule to the 1966 Act. The Authority periodically reviews its adopted committee structure. The current committee structure was introduced in July 2009 (Paper A/4071/09) and it was agreed at the Annual Meeting in July 2010

that this committee structure be retained until after the 2012 London Games when a further review of the committee structure should take place in 2013. This was considered as part of the Review of Standing Orders and Governance report (Paper A/4172/13) and it was agreed that the existing committee structure be retained. Again, following establishment of the Lee Valley Leisure Trust Limited (the Trust) on 1 April 2015 Members further considered the committee structure at the annual meeting of the Authority in 2015 and agreed that this committee structure be retained. The current committee structure serves the Authority's business needs and was streamlined in 2017 replacing two planning committees with a single Regeneration & Planning Committee. Members are reminded that all Members may attend, but not vote at, any committee or working group of which they are not members and, with the agreement of the Chairman, may participate in the discussion.

TASK AND FINISH PANEL/GROUPS

- 2 The Authority's Task and Finish Panel/Groups were set up to ensure Member involvement with and input into major projects and/or strategic review at an early stage. They are not decision making.
- 3 Members on the Panel and Groups are not responsible for directly progressing or delivering the project, which is officers' responsibility, but rather for contributing to the project's development and enabling a more in depth engagement with the project.
- 4 The Panel and Groups for 2017/18 were:

Park Development Framework Panel;
Ice Centre Project Working Group;
Land & Property Review Working Group;
Levy Strategy Working Group;
50th Anniversary Working Group;
Leisure Services Contract Review Working Group.
- 5 The proposal for 2018/19 is as follows:

Ice Centre Working Group;
Land and Property Review Working Group;
Levy Strategy Working Group;
Leisure Services Contract Review Working Group;
Park Development Framework Panel.
- 6 The work of the 50th Anniversary Working Group was completed at the end of the anniversary year.
- 7 The Park Development Framework Panel has substantially completed the majority of its work. It is proposed however to retain the Panel membership for any further work required and to provide a steer to officers when needed.
- 8 It is hoped that where possible membership of panel and groups will be maintained in view of the knowledge gained by previous Members of each group.

PROPORTIONALITY

- 9 In accordance with its Standing Orders the Authority has adopted the

provisions of Local Government legislation concerning proportionality and applies the requirements to its committees.

MEMBERSHIP OF COMMITTEES, PANEL AND GROUPS

- 10 The suggested membership of committees, task and finish panel and groups will be tabled at the meeting after discussion at Group Meetings on the day of the meeting.

UNFILLED VACANCIES

- 11 Remaining vacancies will be agreed through Group Leaders after the meeting. Under Standing Order 47, these appointments will be approved by the next available Authority meeting or Executive Committee. A final list of the membership will then be circulated to Members.

To develop a 4 year levy strategy (2017/18-2020/21) and financial plan that delivers the statutory objectives of LVRPA, whilst reducing the burden on the tax payer. In response to the current political climate around the levy and the uncertain economic climate it is proposed that the Authority looks at options for a significant reduction of the levy during the period 2017/18 to 2020/21.

- i) Review levying for capital by 2020 (i.e., at the end of the existing capital programme) all capital funding to be generated from Land/Capital sales (with short term borrowing to bridge any cash-flow gaps, e.g., ice centre project).
- ii) Reducing Leisure Services Contract management fee by - half by 2020 - potential saving £1.6m – consideration of future contract to deliver other half of £1.6m say by 2020-2025 (the Trust say this requires further capital investment).
- iii) Review Grounds Maintenance specification.
- iv) Review investment opportunities e.g., Picketts Lock development.
- v) Consideration of transfer of further services to 3rd party organisations.
- vi) Shared Services with neighbouring Authorities/institutions.
- vii) Recommend income generating stretch target for open spaces.
- viii) Savings targets for service review areas, e.g., IT infrastructure.
- ix) Review level of general reserves £4m – transfer of risk to third parties e.g., Leisure Services Contract and other contracts.
- x) Specify time-scales for reduction e.g., 3, 5, 10 years?
